

Depression and Bipolar Support Alliance *of San Diego*

Special Support Group Session

DBSA San Diego will have a special support group session on Monday, 08 September 2008, at the La Jolla Marriott, from 6-8pm.

One of our three or four Monday night “consumer” support groups, to be facilitated by Michelle, will meet in a conference room at the hotel, rather than at the VA Hospital, and will be professionally filmed for use in an upcoming PBS television program. There will only be about one minute of the group ending up in the film, but it is a very important minute because it will introduce the audience to the idea of a support group.

There is a charge for parking, for which all attendees will be reimbursed, and refreshments will be provided.

When: Monday, 08 September 2008
6:00pm to 8:00pm

Where: La Jolla Marriott
(about a mile East of the VA Hospital)
Newport-Irvine Room (on the first floor)
4240 La Jolla Village Drive
(corner Genesee Avenue & La Jolla Village Drive)
La Jolla, California 92037

Please see the map on the reverse side of this sheet.

Those wanting to attend an ordinary support group meeting are welcome to go to the VA Hospital at the usual time (6pm) and place (room 2011).
