*The Cognitive
Therapy Lecture
Series meets
monthly on the
FIRST
TUESDAY of
each month.
Presenters are
experienced
clinicians in the
community.*

Cognitive Therapy is a research-based treatment approach to mood disturbances and behavior problems. This form of psychotherapy helps identify the relationship between thoughts, feelings, and behaviors, and their impact on life situations. Mrs. Jenkins will lead a lecture and discussion about coping with postpartum depression. Please join us for this interactive and interesting topic.
