## PAID RESEARCH DISCUSSION

Thursday, August 30th on the topic of:

# Depression

**Earn \$100 in 1 hour for sharing your experiences and opinions**

Plaza Research, San Diego is hosting a **PAID RESEARCH DISCUSSION** for individuals age 20-60 who have been diagnosed with depression. We are looking for individuals who are on one or more medications and are experiencing unresolved symptoms and/or who are dissatisfied their current medication. The interviews will take place on Thursday, August 30th at our office in the UTC area of San Diego and will be lead by a professional moderator. Each interview will last 1 hour and each participant will be compensated \$100 for contributing their time and opinions.

**If you are interested in participating, please contact Plaza Research, San Diego at (858) 200-3000 and mention you are calling for the DEPRESSION study. We will need to ask you a few questions about your condition first see if you qualify.**

Plaza Research is a national market research company located in San Diego. We organize focus groups and one-on-one interviews on behalf of major organizations for research purposes only. We do not sell or solicit any products or services. The information we collect from you is purely for research purposes and is used to help make products, services, and ideas more advanced and more practical for consumers.
