BIPOLAR DISORDER?

The UCSD Department of Psychiatry is seeking volunteers for a research study involving genetics and medication response in Bipolar Disorder.

You may be eligible to participate in the study if you:

*are at least 18 years of age

*have been diagnosed with Bipolar I Disorder

*are willing to take LITHIUM for mood stabilization

If you qualify, you will receive at no charge:

*a thorough interview for diagnosis

*study-related medical exams and psychiatric consultations

*study-related medications *laboratory evaluations *follow-up visits

Health insurance is not required.

Compensation for time and travel is provided

To learn more about the study, please call: 858-642-3590

or, visit our website at: http://www.lithium.ucsd.edu
