

## Depression and Bipolar Support Alliance of San Diego

**DBSA San Diego** presents ...

**David M. Reiss, M.D.**

### **Borderline Phenomenology**

**Dr. Reiss** will be speaking about the development of Borderline-spectrum issues and behaviors, and differentiating those phenomena from bipolar symptomatology.

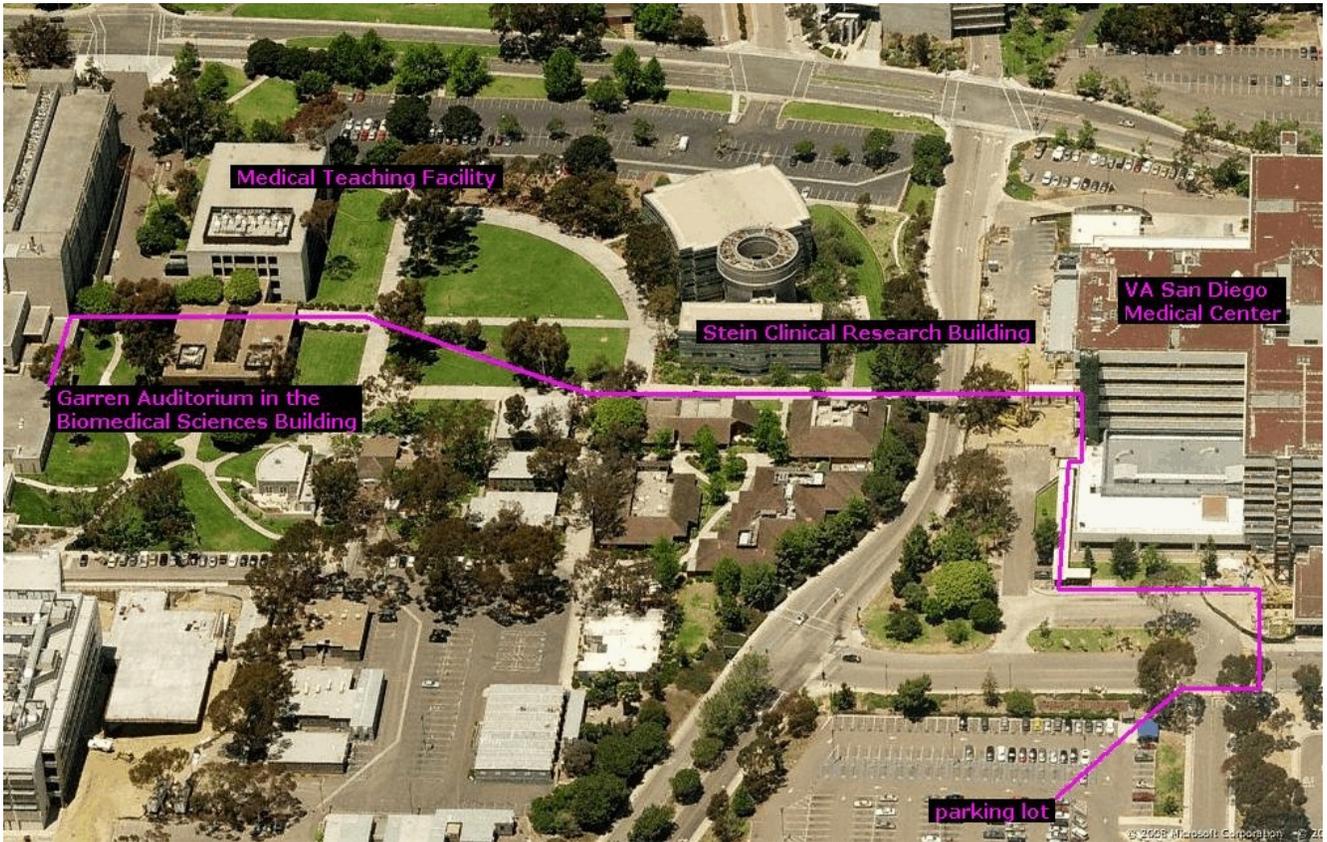

**When** Monday, 03 August 2009  
6:00pm – 7:30pm

**Where** Garren Auditorium  
Biomedical Sciences Building, Medical School Campus  
University of California, San Diego  
La Jolla, California

**David M. Reiss, M.D.** (*DMRDynamics*) is a psychiatrist in private practice based in San Diego, with offices in Fresno, Palm Springs and Ontario, Canada. Dr. Reiss specializes in evaluation and treatment of characterological disorders, and applying personality theory to non-clinical areas (business/workplace, education, socio-political issues, sports/entertainment, etc.).

Dr. Reiss is available for clinical consultation and treatment, including both psychotherapeutic and psychopharmacological intervention, as well as non-clinical consultation regarding characterological dynamics which arise in other milieu. He can be reached by email at <[dmr@dmrdynamics.com](mailto:dmr@dmrdynamics.com)>.

There is *free parking* in the VA San Diego Medical Center parking lot. Garren Auditorium is a short walk over the footbridge. Follow the signs for about one block. *See the map on the reverse side for detailed directions.*

1. Start in the **parking lot** and walk to the bus stop in front of the **VA San Diego Medical Center** (usually called the VA Hospital in La Jolla).
2. Walk west to the covered outdoor corridor, turn right and walk north down that corridor, along the western edge of the hospital, until you turn left (west) when you get to the footbridge.
3. Walk over the footbridge that crosses Villa La Jolla Drive.
4. Walk past the **Stein Clinical Research Building** (on your right).
5. On your right, you will see a diagonal asphalt path starting near a fire hydrant. Walk down that path to the **Medical Teaching Facility** building.
6. When you reach the end of the asphalt path, walk under the overhead walkway connecting the two parts of the building. Continue until you reach the next building, which is the **Biomedical Sciences Building**.
7. Enter the large glass sliding doors and turn immediately left down a corridor, where there is a sign saying **Garren Auditorium** is in Room 1105.
8. Walk down the corridor, turning right, then left.
9. Enter where it says Room 1105 (the bottom/front of the room, where the lecturer will be) and take a seat. Alternatively, continue until you see a staircase going up on your right. This will take you to the top/back of the auditorium.

Signs will be posted along the route from the parking lot to Garren Auditorium.
