Walking Directions to Garren Auditorium

Follow the **DBSA San Diego** signs with the **blue** arrows along the way.

1. From the parking lot, walk into the front (south) entrance of the VA San Diego Medical Center. Continue straight until you reach the center of the hospital, where you'll see the banks of elevators as well as a large compass on the floor.
2. Turn **left** (west) at the compass and keep going, out the glass doors and over the footbridge that spans Villa La Jolla Drive.
3. Continue walking past the Stein Clinical Research Building (on your **right**).
4. Follow the sidewalk **right** and then make the next **left** turn, continuing toward the Medical Teaching Facility building.
5. Walk under the walkway that connects the north and south parts of the Medical Teaching Facility.
6. Continue walking until you reach the Biomedical Sciences Building.
7. Enter the large glass sliding doors and immediately turn **left** down the corridor, where there is a sign saying Garren Auditorium is in Room 1105.
8. Walk down the corridor. Garren Auditorium will be on your **right**, Room 1105. You can enter at the bottom, where the lecturer is, or continue a bit farther until you see a staircase on your **right**, which would take you to the top (back) of the auditorium.

Please note: The sliding glass doors to the Biomedical Sciences Building lock from the outside at 7:00pm, so please be sure to arrive before then.
