1. Start in the **parking lot** and walk to the bus stop in front of the **VA San Diego Medical Center** (usually called the VA Hospital in La Jolla).
2. Walk west to the covered outdoor corridor, turn right and walk north down that corridor, along the western edge of the hospital, until you turn left (west) when you get to the footbridge.
3. Walk over the footbridge that crosses Villa La Jolla Drive.
4. Walk past the **Stein Clinical Research Building** (on your right).
5. On your right, you will see a diagonal asphalt path starting near a fire hydrant. Walk down that path to the **Medical Teaching Facility** building.

8. Walk down the corridor, turning right, then left.
